6	5	Williams	

CHOOSE ONE:

- A All Cells in the sheet will be selected
- B All Cells in the sheet will be cleared
- C All Cells in the sheet will be hidden
- D It will hide the formula bar

Excel Assessment Test

Correct Answer

You can't clear the cells in Excel without selecting a cell or range of cells

Hiding a single cell is not possible in Excel, you can only hide rows or columns.

You can hide the formula bar by unchecking Formula Bar from the View ribbon under group Show.

**All Cells in the
sheet will be
selected**

**Total of 50 Questions are included in
the full version**
